Hi Carl.

Thank you for the great service you provide fixing our inflatables. We have had inflatables fixed from other companies in the past, but you guys do the best work I've seen. In a recent experience, we had an inflatable obstacle course that wasn't made well by the manufacturer but you were able to get it into 'rental' quality condition by reinforcing some "key areas." Your turn around time is great as well! I appreciate the work you do for us and will be calling you soon for more repairs. Thank you!
